CLIENT TESTIMONIALS

Murder: “My brother was convicted of second degree murder and sentenced to 16 years to life in state prison. Our family was very worried that he would spend the rest of his life in prison. I hired Stephen Klarich and he had an appeal granted. My brother’s entire sentence was reversed. My family is grateful for Wallin & Klarich and all their hard work.”

DUI: “I was arrested and charged with driving under the influence. I took a blood test, which the police claimed was 0.15. I retained the Law offices of Wallin & Klarich to represent me. My Wallin & Klarich attorney fought for me, he was aggressive and knowledgeable with the issues surrounding my DUI case and ultimately resulting in the entire case being dismissed. Thank you, Wallin & Klarich. I would highly recommend them to family and friends.”

Probation Violation: “I was taken into custody after failing to report to my probation officer. I was afraid the judge would send me to prison, but my attorney met with the judge and the District Attorney to show the legitimate reasons for my inability to report. Thank you Wallin & Klarich!”

Child Molest: “My son was facing serious felony molestation charges in juvenile court, and we hired Wallin & Klarich. It was a very long process, but my Wallin & Klarich attorney was with us each step of the way. My son avoided time in custody and we were able to put this entire ordeal behind us. Thank you Wallin & Klarich for all of your help.”

Family Matter: “I was charged for contempt of court order from a family law action where I had taken my children out of state without notifying the court or their father. Wallin and Klarich was somehow able to all contempt charges against me dismissed, and I was able to retain custody of my children. Thank god that I decided to hire Wallin and Klarich.”
